60 Park Lane, South Harrow

Sunrise Care - Statement of Purpose

To work with people to achieve their aims and aspirations, enable life skills and enhance independent living. To provide the highest standard of care and deliver it safely, complying with the Essential Standards of Quality and Safety.

01 Our Care Pathway

We run a 24 hour service at the property for people with moderate to low needs, with 12-hour waking night service, seven days a week. We have a flat team structure, which consists of a house manager. The care and support staff deployed at this service is one staff on AM shift, one staff on a mid-shift, one staff on PM shift, and a waking night shift, 7 days of the week. Extra staff is provided for any 1:1 requirements as part of an individual's care plan.

02 Services

Our services are designed to enable adults living with long term mental health conditions to improve their quality of life and encouraging the greatest possible engagement with the community either within our homes or through our step down services.

Sunrise Care will also deliver these outcomes:

- Improving recovery and staying well improving quality of life
- Making own choices and achieving personal goals such as self motivation and autonomy
- Connecting with family friends and neighbours
- Participating in education/employment with reduced stigma and discrimination.

03 Protection

Protecting all customers within sunrise care is at the forefront of our minds and we ensure safeguarding best practice is followed to the highest degree We strive to maintain a transparent and open culture where everyone feel safe and able to share any issues.
